with the pretty girls,
So little Harry went
to St. Olaf's to see you
Sunday. Je pensais bien
que he could not stay
away very long, et Paul
y dit he did not
think que you would
be the same [illegible]
pas toi! Mamie a reçu
hier a letter from
Rose ; her little girl
has been ill and
[illegible] [illegible]
So I suppose que
that is the reason

que they did not
call on you hier
soir après dîner we
went out in the
garden et faisait si
si beau, cela vous
donne presque en-
vie d'avoir a "beau"
avec soi! Isn't that
shocking my darling,
mais ce n'était pas
de ma faute, mais
de la faute de la
lune, oh! comme
je voudrais être à
mercredi prochain

Mais il [illegible] dans déjà d'aller

la première fois que je le
dis déjà une petite que j'étais af-
freusement impatiente.

in her room et nous avons fermé la porte a clef! We could not sleep at all. Deux, dans un tout petit lit au milieu de la nuit Leo me dit "est-ce que tu dort" no. so elle a allumé la bougie and we had *such* a good laugh the poor girl fell out of bed a peu près 5 fois! How do you like your Baby bonnet Darling. It must be awfully becoming how wicked of you to go to church
